Memory Still Alive

We did the things all people do;
We played, we worked, we called it school.
We laughed, we cried, we saw it through;
We learned, we hoped, and through it grew.

Where are we going? Who are we?
This, our memory, come to be.
Distance lights what we need see
Today, tomorrow, eternally.

Dreams aren't stars away too high,
Time's no loss for where we strive.
With this distance, we soon arrive.
We are this memory, still alive.

DEDICATION

Nancy Jane Williams

This year marks the twentieth year that Mrs. Nancy Williams has been teaching. Throughout these years, she has taught either history or world cultures. She began teaching in 1966 at a school for delinquent girls. She spent a year teaching at John Adams Junior High School in Alburquerque, New Mexico, while her husband was doing graduate work at the University of New Mexico. The Williamses returned to Pennsylvania where Mrs. Williams took a job at North Junior High School in West Chester. In 1972, she was hired to teach history here at Octorara.

Mrs. Williams attended West Chester University where she earned a Bachelor of Arts Degree in history. In college, she served as the University's circulation editor for the newspaper and was also involved in student government. In 1965, while still attending college, she met her future husband, Edward. They now have one child, Mark, who is nine years old. In the spring of 1987, Mr. and Mrs. Williams plan to take a sabbatical and travel throughout the country, taking their son whenever possible.

Mrs. Williams is an active teacher and homemaker. She enjoys the role of wife and mother as much as the role of teacher. Mrs. Williams loves cooking and she is known for experimenting with exotic dishes. Mrs. Williams is also a dedicated scholar, often preparing classes by doing outside reading on whatever she is presently teaching. A favorite subject of hers is Russian history.

Three years ago Mrs. Williams was diagnosed as having cancer. Her openness and willingness to demonstrate the positive attitude one might assume in combating a life threatening illness has been an inspiration to all of us who know her. We all admire her for her courage and determination.

Mrs. Williams enjoys working with young people in and out of the classroom. Not only is she interested in their academic progress, she has always shown a concern for the student's personal welfare. Typically, many students come back to visit her years after graduation.

We, the Class of 1986, will always remember Mrs. Williams for her warm and generous personality, her cheerful words, and her wonderful smile. For her contributions to the students of Octorara, we proudly dedicate this yearbook to Mrs. Nancy Williams.

Mrs. Williams- a dedicated professional

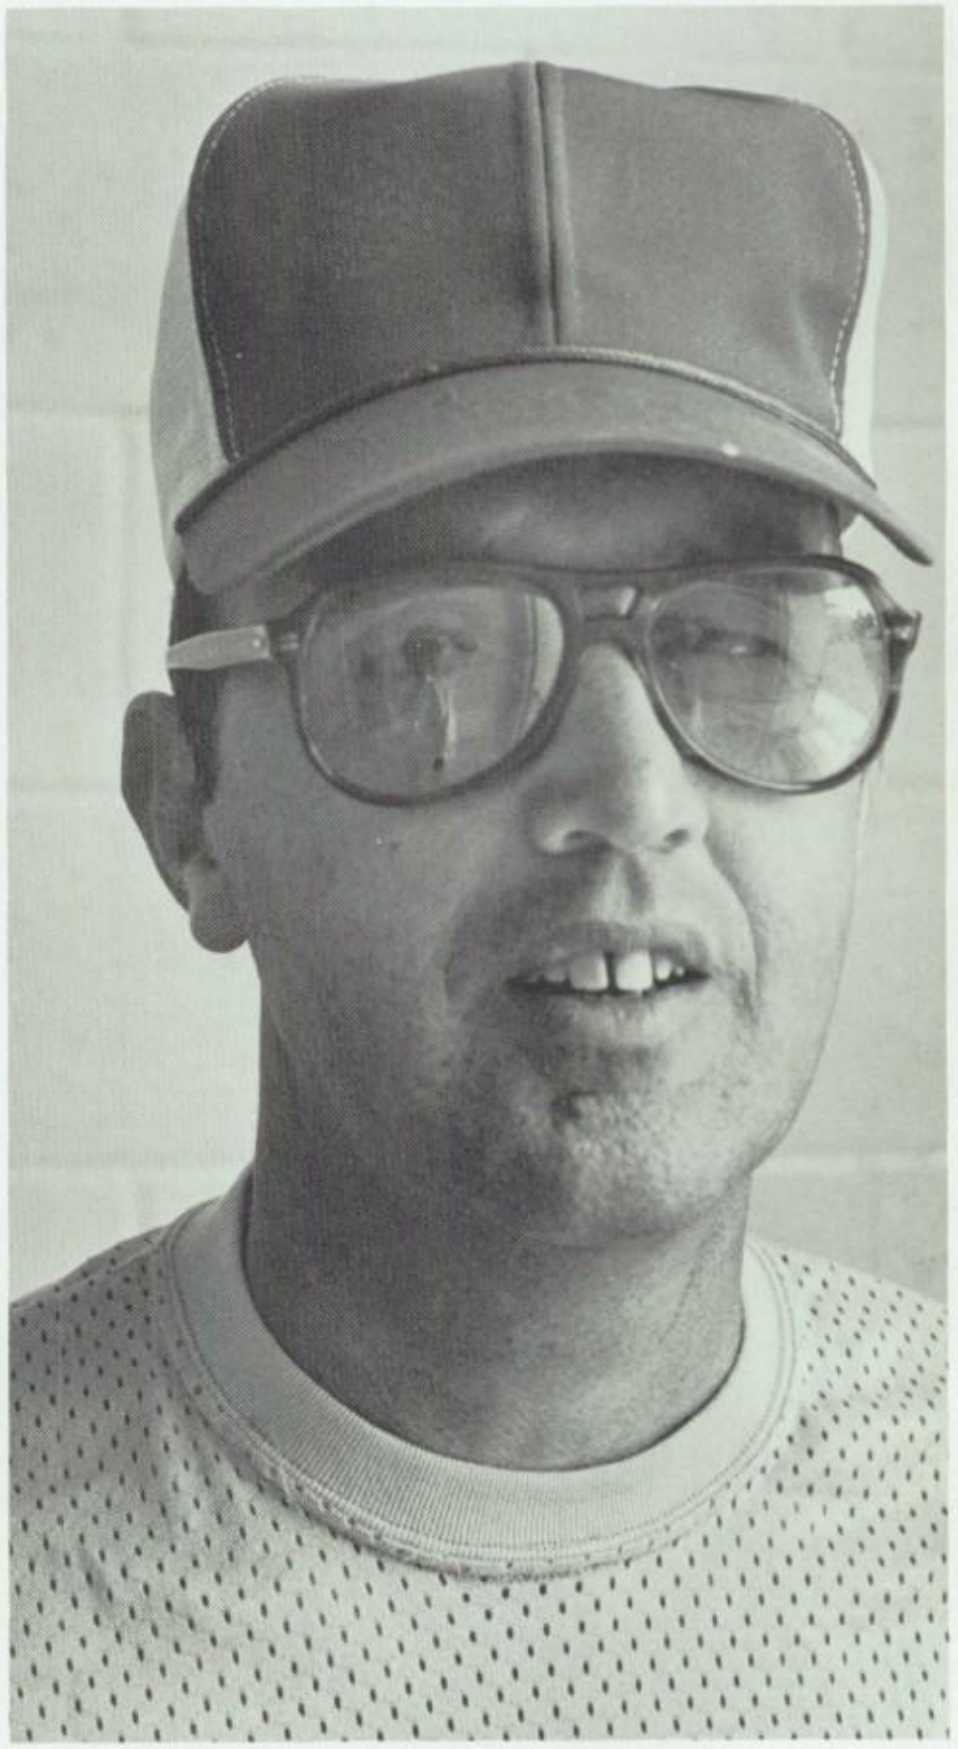
Mrs. Williams enjoys teaching at Octorara just as we enjoy having her.

She always provides plenty of new information during each class.

Mrs. Williams always has a smile and an encouraging word for everyone.

MEMORIAL

W. Gene Davis



Gene Davis was one of seven children and the first to go to college. This was almost an accident. As a 1956 graduate of Avon Grove High School, he had been undecided as to what to do after graduation. Mr. Davis' guidance counselor persuaded him to go to college, and even then he was majoring in business, not education. Those of us who knew him will be forever grateful that he graduated from what was then West Chester State College in 1960, earning a degree in Secondary Education with a major in physical education and science. Mr. Davis deserved to be proud of the fact that he sent himself to college, working at odd jobs to cover all his expenses. A year after he was married, he earned a Master's degree in Administration from Villanova.

Mr. Davis began his teaching career at Octorara as a student teacher of health and science. He taught for seven years until 1968, when he received the position of part time assistant principal in the Intermediate School. In 1969 he became assistant principal. Coaching soccer has to be considered one of the highlights of Mr. Davis' career because he coached for twenty-six years. Ironically, Mr. Davis' initial interest with soccer came only after a dare to try out for the team.

Mr. Davis met his wife, Beth, while she was a student at Octorara. They were married in 1971. They have two children, Bill and Abby, in the fifth and third grades respectively. Mr. Davis was always athletic, playing semi-professional soccer and baseball until he was married. Even then he played locally, and continued to golf, bowl, and play softball. But his true love was soccer.

In 1959, Mr. Davis was honored as an All-American soccer player. In his junior year in college, he was captain of their NCAA championship team. But perhaps his biggest award came this year when the National Soccer Coaches of America Association recognized him. This organization awards only one such distinction per year. The opportunities were always there for Mr. Davis to pursue a college coaching position, but he liked his job here too much to leave.

Later in his career, Mr. Davis became active in the National Soccer Coaches' Association and he began to coach summer soccer for children of all ages. He proudly earned a U.S. Soccer Federation "A" license. To do so, one must be a coach and pass rigorous physical and academic tests. It must be renewed every few years. There is no doubt that the training was tough; many people did not pass. True to his winning personality, Mr. Davis retained this license until his death.

Everyone who has known Mr. Davis has been touched by his love of life. Consider the following taken from a letter to Mr. Davis by his soccer coach at West Chester University, Mel Lorback: *"Words will not adequately express the great feeling and respect you have evoked from those you have touched . . . we have always admired you because you epitomize the commitment to excellence through high standards by which quality is achieved. This consistent and intense drive for the best, combined with an excellent mind, an outstanding sense of humor, and a magnetic and charismatic personality have not only produced your superb leadership but a great affection from those that know you."*

There can be no doubt that all will cherish the memory of this man. His own personal philosophy was "No pain, no gain," and we would all benefit by remembering this. He touched many lives, and perhaps now he will touch even more. To his beloved memory we dedicate this yearbook.

EXCHANGE STUDENT

Cynthia Cobo

Cynthia mastering the English language

Cynthia Cobo

Nineteen-year-old Cynthia Cobo from Anbato, Equador, is Octorara's Rotary Youth Exchange student this year. Cynthia's first host family in America was the Meyers, but now she is living with the Boarts. In Equador she has graduated from La Inmaculada and plans to attend either a junior college or a Catholic university majoring in communications or French. Cynthia is very fun-loving and enjoys dancing, horseback riding, and learning English. She finds the teachers at Octorara very friendly and helpful and she believes that the students here, like those in Equador, are very kind and caring.

"Ever since I was a little girl in Equador, I have had the dream of coming to the United States; I thank God that the Rotary has helped me to make that dream become a reality. For me to finally make it here has brought me happiness. Everything has gone perfectly. The Meyer family has given me so much love and my friends here at school have been so patient with me! You've all helped me so much! I'd also like to thank all of the teachers; they deserve it for their cooperation and kindness; it has all meant so much to me."

"This country has been so beautiful for me—ever since my first glimpse from the plane. I've been able to see so much: a Renaissance fair, balloon races, Penn State football games, Washington D.C.. It has all been just like my dream. Thank you all for making it come true. Gracias."

Cynthia quickly adapted to the routine of switching classes

Izumi Hoashi

Izumi Hoashi

My name is Izumi Hoashi. I am seventeen years old and come from Tokyo, Japan. I am staying with Sandy Smith and the Coleman family this year. When I go back to Japan, I have to go to high school from September to March because in Japan, schools begin in April and I only went to school until July. So I will have two graduations- one in America and one in Japan. I want to be a translator, so I'll probably major in English when I go to college. I hope to come to America again after completing my college education. My school at home is a private girls' school in a big city so I found many differences here. The atmosphere here is more free than my school, and I think American students enjoy school more than Japanese students do. Also, in Japan we are not allowed to have our hair permed or our ears pierced. I don't know what they'll do to me when I go back! My most memorable experience in America has been the trip to Williamsburg with my host family during Thanksgiving vacation. I will also always remember Christmas. I like Octorara and this country very much!

We would like to thank the many people who helped to make this yearbook possible. Mrs. DeForest, Mrs. Kellon, and Mrs. Miller were continually ready to lend a helping hand, and always with a smile. The administration was consistently understanding of our emergency situations, particularly Dr. Cooper. Of course, we can never thank our Jostens' representative, Andy Santora, enough for putting up with all the inconveniences we caused him and for all the advice he gave us. Finally, and most of all, we would like to thank Mr. Mundy for his patience, his guidance, and his understanding.

OHS NETWORK

An exciting new experience came here this year as the OHS Network brought the OHS its first true broadcast news and music programs. The OHS Morning Show replaced the thirty year-old morning announcements with a vibrant, fast-paced program of news, sports, and announcements. Morning Odyssey is Octorara's first broadcast variety music program.

These programs are entirely a student effort. In fact, over 40 students perform various broadcast tasks at one time or another during the year. Veteran OHS broadcaster Mr. Farren serves as the faculty advisor.

September 20- Election Day! However, Justin Ahren's name was accidently left off the ballot. **September 23-** Election Day again. **October 4 & 5-** Homecoming 1985- Dedicated to Mr. Fieles. On Friday night we experienced the largest bonfire in Octorara history, thanks to Vice-President Matt Carr and Charles Weathers of Diversified Printing Company. Saturday was coronation. Tish Rigoroso introduced the Homecoming Queen, Carla Hamson, King, Mike Dale, and their court. It was also the afternoon Octorara's band played to one of the largest coronation audiences ever. We cannot forget that it was during this weekend that all who knew and loved him paid tribute to Mr. W. Gene Davis. **October 25-** Octorara's first Masquerade Ball was held on this night. Priests, princesses and outhouses were all in attendance. **December 6-** This day marked our first pep-rally. The cheerleaders enlivened the crowd with school spirit. Mr. Devitt was game master and took on the challenge of being "Simon" with no *microphone*. We were introduced to Mr. Honigman, the new J.V. basketball coach. **December 13-** The theme for the Christmas Ball was "A Christmas Fantasy." The outfits were gorgeous. There was even an open sleigh. **January 9 & 10-** Our first movie for the year, *Karate Kid,* was shown on these days. **February 18-** Let's hear it for Sgt. J. J. Beans and the Air Force Band from McGuire Air Force Base. They appeared today. **February 26-** It was our third try and , alas, success. This was the day that Octorara did not resurrect spirit, as some say, but proved that our school spirit was never dead.

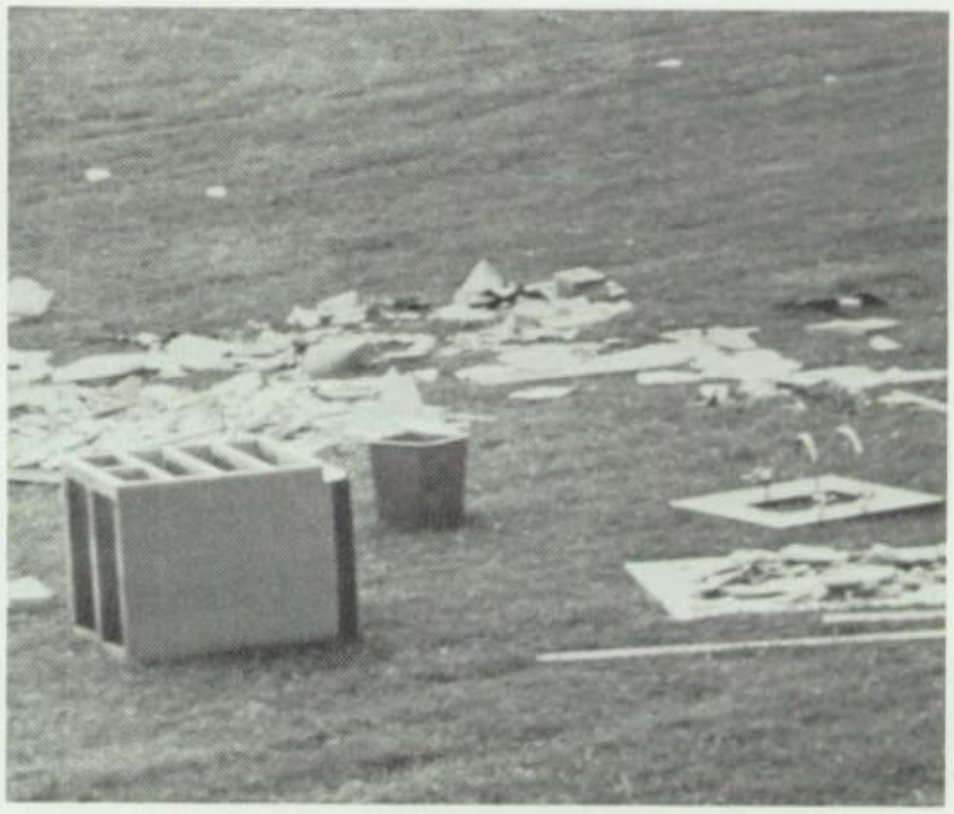
FIRE!

Almost daily, from all over the world, we hear accounts of terrible tragedies involving fire. In the recent past, we have suffered the anguish of witnessing live, via television, the explosion of the space shuttle. The number of plane crashes ending in fiery destruction reached an all-time high in 1985. Closer still to our community was the burning of the MOVE headquarters located in Philadelphia which left eleven people dead. However, those of us at Octorara experienced a much closer brush with fire. Two occurred here at the school this year. Fortunately, there were no major injuries and all damage was minor.

The first and most destructive fire occurred on November 14. Three of our five science teachers were at the National Science Teacher's Conference in Hartford, Connecticut. Mr. Massey was substituting for Mr. Heebner. While Mr. Massey was teaching a chemistry class first period, a student noticed an open bottle containing some chemical left on a table. The chemical was bubbling over so that it was impossible to read the bottle's label. Mr. Massey quickly sent for Mr. Overmeyer. Mr. Overmeyer, unable to read the label, picked up the bottle and carried it to the front of the room to place it in the sink. When the chemical, which was sodium, made contact with the water in the sink, an explosion occurred. Mr. Overmeyer immediately hit the fire alarm and attempted to put the fire out with a fire extinguisher. Fortunately, it wasn't long before the fire company arrived and took care of the rest. Luckily, the only injuries were minor. As a safety precaution, the chemistry class was checked by Dr. Weiss and Dr. Hampton, who were here to give winter sports physicals. Mr. Overmeyer suffered smoke inhalation and had a few minor burns as a result of the sparks. The classroom remained off-limits for approximately a week. The demonstration table had to be fixed and several ceiling and floor tiles needed to be replaced. Due to the fumes in the school and the danger they created, students were sent home after waiting outside for an hour and a half.

Almost one month later, on December 11, the second fire forced everyone to evacuate the building. This fire took place while Mr. Kulakowsky was teaching a mechanical drawing class third period. It began when Mr. Kulakowsky turned on the shrink wrap packaging machine. It appeared that there was a short in the chord as sparks began to fly. Papers in the nearby area caught fire. The flame was quickly extinguished by Mr. Kulakowsky and, fortunately, there were no injuries. However, the heat from the fire caused the window blinds to melt and several other machines were damaged. Classes were resumed after approximately one hour and before long, things were back to normal.

Both of these fires may seem trivial. After all, no one was seriously injured. But the possibility remains that if either situation had not been handled with such quick, precise decisions, Octorara would not have been so fortunate. Both Mr. Kulakowsky and Mr. Overmeyer deserve our thanks for their ability to remain calm under pressure and for selflessly risking physical injury in order to put out the fires. Also, students should be proud of their fast, orderly evacuation of the building.



Materials in the chemistry room had to be thrown outside.

Our second fire caused more property damage for the school.

Students and teachers alike will never forget the wait outside.

BOYS' CROSS COUNTRY

This year's Cross-Country team was full of hope for a league championship. With all of last year's top runners returning, and increased depth from several freshman runners, the Braves were confident that they had the inside track to the SCCL title. The loss of three of the top five runners, however, proved to be the Braves' downfall. The team was led by junior Rich Hammaker. He was followed by junior captain Mark Starrs, juniors Bob Naples, Jim Vahey, and Mike Whiteman, seniors Shawn McCormick and Rich Krumrine, and freshmen Rodney Bare, Rich Gentile, Jerry Blank, and Chris Beaumont. Although the Braves' league record was a disappointing 4-8, they did defeat Oxford, the eventual winners of the league meet.

The highlight of the season was the outstanding performance of Rich Hammaker. Rich placed third in the league championship meet and finished fourth in the District meet, which earned him a trip to States. In the state championship meet, Rich competed against 250 of the best runners in Pennsylvania, and came in 53rd, a truly remarkable feat. Hammaker and Mark Starrs were selected to the All-SCCL Cross-Country squad. They will return next year to lead what looks to be a strong contending team for the league championship.

1st Row: Eddie Smith, Shawn McCormick, Mark Starrs, Rich Hammaker, Rich Gentile, Gerry Blank. **2nd Row:** Coach Ray Wessner, James Vahey, Rich Krumrine, Bob Naples, Mike Whiteman, Rodney Bare.

GIRLS' CROSS COUNTRY

The 1985 Girls' Cross Country team certainly agrees that long distance running is one of the toughest sports around. The team braved every weather condition imaginable—heat, rain, wind, and even mud. Through all of that, the girls often ran up to ten miles a day, six days a week.

The difficult practices and the long hours spent together gave the team a sense of unity. Ann-Marie Starrs summed it up: "I've been in many high school sports, and cross country certainly was the most difficult, yet I enjoyed this sport the most because we constantly had to give each other support and as a result close bonds of friendship were developed."

Octorara's varsity hockey team for 1985 was one of the top contenders in the league. The season looked promising from the start after the team lost only two seniors and gained more dedicated players. One highlight of the season was tying Unionville on Homecoming Day. The league record was 6-3-3, placing the Bravettes in second place. The Bravettes advanced into Districts beating New Hope in the first round.

In the second round of Districts, Gweddyn-Mercy proved to be the Bravettes' toughest competition. The game lasted through regulation time and two ten minute over-times, bringing it down to "one-on-one", or sudden death. It took the sixth "one-on-one" before the tie was broken, and the Bravettes held another victory.

Now the Bravettes faced the most important game of the season against Perkimen Valley. This game determined the District One Champion. The team had much school support. The game came down to a 1-1 tie with ten seconds to go when an offensive corner was called. The shot was taken, and the goal was scored with two seconds left in the game. While celebrating the goal, the team did not realize they were celebrating the winning of the PIAA District One Championship.

The Bravettes then went to Regionals, where the season ended with the team ranking eighth in the state.

Octorara's 1985 J. V. hockey team took the field this season full of enthusiasm and spirit. Lots of determination and hard work led to their winning league record of six wins and four losses. This year, sophomore Tracey Leaman acted as the girls' team captain. On the offense, Kim Dickinson, the top goal scorer, led "the fight for the goal" supported by the other offensive players. Connie Hamson and Shannon Waite proved to be major links between the offense and defense. In the backfield, defensive players Beth Cooper, Wendy Emerson, Sue McComsey, and goalie Tracy Shaw fought long and hard to protect the Octorara team. Coach Judy Malloy and her J. V. team should be commended for their winning season and are looking forward to an even better season next year.

VARSITY SOCCER

A major challenge confronted the varsity soccer team as the Braves hoped to improve on a dismal 4-5-1 fourth place finish from the year before. The death of Coach Davis seemed to overshadow the entire season. This challenge was met with reasonable success as the Braves finished with a 6-5-1 record in league play. Hampered by injuries throughout the season, the Braves managed a third place finish in the league. A win over a powerful State College team at the Middlebury Tournament proved to be one of the Braves' highlights this season. The Braves advanced to Districts, but were ousted by a strong Kennett team in the second round. Senior tri-captain Brad skiles was the only player to be named to the SCCL First All Star team.

Although the J. V. soccer team began the year by losing the first three games, improvement was seen as the season progressed. Their best game was against Avon Grove during Homecoming. When the game started, it seemed as if it was going to be a good, close game. Octorara scored one quick goal. Then Avon Grove scored to tie the game at 1-1. The second half brought two more goals by Octorara, making it 3-1. The game ended and Octorara won. Ernie Steinmeyer had an outstanding game as the goalie. Shawn Dale, Matt Hurley, Steve Tyson, and Allan Beattie all played very well. But all through the season, everyone contributed something, whether they played or gave moral support. This is what gave them their winning season.

The 1985 season for the varsity volleyball team was a rebuilding one. Despite losing four starting seniors, the team entered Districts with a 9-6 record. The first night of District I playoffs, the girls came out with one win and one very close and disappointing loss. Winning one game enabled them to enter into Saturday's games. In a must-win situation, the Braves felt the pressure of the AAA competition. Although our girls lost the game, they played with determination and enthusiasm and they deserve our admiration.

They improved throughout the season, beating several teams the second time they played them. This year's J.V. Volleyball team played tough even though their scores did not always show it. Keeping in mind that J.V. sports are meant to give players experience and not necessarily to compile a winning record, this year's team should be considered successful. Certainly all the girls benefited from each game.

This year's Braves' varsity basketball season was exciting. One of Octorara's finest teams drove past many taller teams, including Oxford. But it was against Unionville and the ever-present Bishop Shanahan that our powerful Braves earned their finest victories. Leading the way was senior point guard Jim Brown with his now famous ball handling, calm control, and sportsmanship. Jim's close companion was senior Steve Peters who showed what perseverance is all about. Junior Tyrone White excited the crowds with his fancy moves and showmanship. The two big boys, senior Rob Schmitt and junior Jim Miller, both played steady games of excellent rebounding and great defense. Senior Chuck Cooper, although beginning the season with an injury, later helped lead the Braves to a season-end winning rush with his great rebounding and shooting. Coming off the bench were juniors Chris Kirk and Kevin Watterson, both excellent rebounders, and sophomore Doug McClay whose great playing promises to lead Octorara to more victories in the future.

After once again winning the Penn Manor Christmas Tournament, the Braves went on to tie for second in the league, only to be beaten by a tough Bishop Shanahan team in the league play-offs. However, after moving into district play-offs the team won Octorara's first-ever District 1 championship.

This year's varsity girls' basketball team expected to have a winning season. But this year, the SCCL was tough with Unionville, Bishop Shanahan, and Avon Grove being the teams to beat. In many games, the girls came close to defeating their opponents, but they were beaten with just seconds left. Dana Thompson, the league's leading scorer last year, had another great season, ranking high in most points scored. Seniors Pam Bannon and Becky Runge played good defense. Unfortunately for Barb Steckler, knee injuries prevented her from playing most of the season. Kris Williams' ball handling skills were the most basic asset of the team. Juniors Beth Moyer and Janelle Melrath also contributed in this way. Beth Stoltzfus and Shawn Perry used their height to help the team's defense become more effective. Sophomore Terri Williams was a strong rebounder, and Stacey Wetzel, also a sophomore, was a strong offensive as well as defensive player. However, all members contributed their ball-handling skills in some way. The only freshman on the team was Kim Dickinson, an up and coming star. Although their record was 3-8 in the league, the girls had a good season, considering that they had fun while they played.

In this 1985-86 basketball season, the girls' JV team compiled a great record. With a 9 and 2 league standing and a 12 and 4 non-league standing, the girls ended a tiring, but satisfying season. Our girls captured first place in the league by consistently demonstrating an uncommon degree of determination, unity, and spirit. The defeat of past league champions, Unionville and Bishop Shanahan, were high points of this most successful season.

VARSITY WRESTLING

Despite the presence of a relatively large number of seniors on the team, the varsity wrestling situation at the beginning of the season seemed very uncertain. Many of the seniors had little varsity experience. But as the dual meet season progressed, the increasing experience gradually began to pay dividends and the team as a whole performed considerably better. The Coatesville Tournament involved eight AAA teams, with Octorara as the only AA team. However, the team did well. Russell Munson placed second, Matt Carr and Jeff Stoltzfus placed third, and Tom Stanley and John Edgington placed fourth. At the end of the season, Russell Munson had the most wins with 15, and the most team points with 68. Bob Salada scored the most takedowns with 40. The team looked to the District I Tournament, on February 28 and March 1, as the climatic event of the season.

Unionville	15	54
Avon Grove	30	27

This year's junior varsity team record was misleading. In actual competition our JV men often outscored their opponent, but were defeated because of points accumulated by the opposition due to forfeits.

At the Coatesville Lions Tournament, Duane Harvey and Dennis Mowday were runners-up at 145 and 138, respectively.

Outstanding individual season records were turned in by Rick Krumrine (12-4-1, 6 falls), Jim Thomas (12-5, 8 falls), Dennis Mowday (9-5, 2 falls), Scott Hess (9-10, 4 falls), Tom Stanley (8-1, 3 falls), and Larry Grier (8-5, 3 falls). Other regular JV wrestlers were: Steve Rettew, Bill Bailey, John Ford, Rodger Hatfield, and Paul Wright.

REMEMBER WHEN . . .

We went to homeroom twice on the same day!
A bunch of juniors tried to burn down the school in chemistry class.
The Morning Show came into existence.
Mr. Mundy always sang to his classes—What a guy!
The Air Force band made a second appearance.
The prom ticket prices were unbelievable.
The marching band was interrupted by fire engines—twice!
The school musical—**The Wizard of Oz**— broke attendance records and got three standing ovations.
Senior Bag Day was January 17, 1986.
Mr. Fridy was actually sick—for a week!
We first met our exchange student, Izumi Hoashi, and saw her pretty smile.
The senior class was "the best academically and the best with attendance."
The hockey team and the boys basketball team became the PIAA District One Champs.
The seniors practiced their fire drills for twelve years and this year it came in handy—twice!
Beth Cooper and Beth Wilson were chosen to represent our school as foreign exchange students next year.
The P.E. classes had to run two laps every gym period.
Kevin McClelland was crowned King of the Christmas Ball, and Russell Munson, Justin Ahren, and Nick Canestra were chosen as the court.
We had another fire—the day after a fire drill.
Jim Brown scored a perfect basket—for Garnet Valley.
The science rooms were supposed to be finished by Thanksgiving.
The girls' basketball team dropped in on the Christmas Ball after the game.
We had two "Homecoming Queens"—Carla Hamson and Mike Dale.
The construction near the team rooms was supposed to be finished before school started.
The band placed second in the Ephrata and Coatesville parades.
Miss Geno became Mrs. Atkins.
The band sweated through band camp.
Tricia Crellin was our Rotary Youth Exchange Student in Sweden.
Hurricane Gloria struck Chester County.
We played "Simon Says" at the pep rally.
The New Holland parade was rained out after the band got there.
Beth Cooper was chosen to represent Octorara at the Hugh O'Brian Youth Foundation's leadership seminar.
The varsity field hockey team became the first team to score against Unionville in their last nineteen games.
The Yellow Brick Road was created.
Izumi and Cynthia were this year's exchange students.
The science room "blew up."
The band windows were broken by rocks.
We all suffered from the loss of Mr. Davis.
We had our first Homecoming King.
The first week of school was so HOT.
Amy Cross, Emily Artinian, and Jill Pflanz served as Tracy Stoltzfus' court when she was named Christmas Ball Queen.
The Christmas Ball theme was "A Christmas Fantasy."
Morning Odyssey invaded Octorara's hallways before homeroom.
The Wizard of Oz was overrun by Munchkins.
September 4, 1985 marked the first day of school.
We took the PSAT's and SAT's.
Flower sale fever hit Octorara.
SADD sold T-shirts.
Seniors Patty Hall, Chuck Kembring, Tom Lawrence, Jodi Meeks, Gilbert Miller, Sherry Mowday, Rich Sturgill, Mike Watkins, and Beth Wilson had their senior art shows.
Rick Hammaker went to States for cross country.
Halloween Dress-Up Day was a ghostly success.
Student council begged for our pennies every Friday.
"All students are now dismissed," ended each and every school day.
The Bloodmobile came to OHS.
"And now, live, from the Atglen Studios, this is the OHS Morning Show," became a part of our daily morning routine.
Mrs. Husband became pregnant.
Band Aid, USA for Africa, and Farm Aid united the hearts of Americans.
Adam Dyer kidnapped Ms. Piggy and converted her into a punk rocker.
Dutchtown became "The" place to be on Sunday evenings.
The dance that only seven people bought tickets for was cancelled.
The quiet class of '86 became seniors.
The prom was held on a Saturday instead of a Friday.
Rich McAdams and Rob Czetli made District band.
Janene Tucker, Michael Kauffman, John Ford, and John Diller participated in the District chorus festival.
Kelly Greenfield, Lisa Landis, Leslie Scheetz, Ann-Marie Starrs, Kris Williams, Chuck Clark, Matt Franklin, Scott Hess, Tom Lawrence, and Allen Wetzel were the fourth annual Homecoming court.
The class of '86 graduated—June 8, 1986.

Hilbert,
to a really good
looking and sweet guy!
I'll never forget you!
When I was down you
always found a way to make me laugh!
I will never forget 8th period study Hall!
never forget all the tickling sessions
we had during chorus and Ensemble!
Stay as sweet and funny as you are now
and you will go far!
Keep in touch! call or write anytime
